**The Academy of Classical Ballet - CALIFORNIA** is pleased to invite you to the holiday performances of our original ballet, "**A Winter Wonderland**". We are glad to bring something new to the theater that celebrates the beautiful season of Winter, as well as the holiday spirit. We couldn't be more elated to perform for you and offer a ballet that's a bit different from the typical holiday season offering.

"**A Winter Wonderland**" takes place deep in woods, on the cusp of Fall turning into a glorious Winter. Watch as the Winter Fairy, along with the help of her Ice Sprites, turn the land into ice and snow, while bringing to life many of the characters that make every holiday story so great. We don't want to give too much away, but some of those characters include: Penguins, Wolves, Elves, Candy Canes, and much, much more. Be amazed as the season unfolds before your eyes and brings all of the smiles and fun that comes with it. You've never seen a Winter quite like this!

Our **two performances** will take place on **Sunday, December 16th, at 1:30pm and 5:00pm at the Campbell Heritage Theatre. Tickets are \$15 for the show.** There are a limited number of \$20 deluxe tickets available for the **Show and "Snowman Soirée"** where you can meet the cast in full costume following each show. "A Winter Wonderland" is for all ages and open to everyone with a fun and festive holiday spirit.
