

AOCBallet SUMMER SESSION

June 15-July 24, 2020

Due to Covid19 and the current Shelter in Place requirements, we have revised our summer classes and changed the dates and class schedule. Each level will take a technique class and then also have supplemental classes based on their level.

Supplemental classes could include dance conditioning, Pilates, Progressing Ballet Technique, repertoire staging, variations or other dance styles. Unfortunately, this summer we will not be able to offer our usual large general classes like sewing, set design, rehearsals, and no showcase so that large groups do not congregate. Travel restrictions also mean that some of our instructors may not be able to participate in person. Additional detailed information about the class schedule, any additional equipment needs will be distributed after you've enrolled.

All classes will be offered online. Once we are allowed to return to the studios, we will begin to bring students in with all safety precautions provided by the CDC, State and County. We will offer the same in-person and online classes for the summer for those of you who prefer online classes. In person classes sizes will be limited, start times will be staggered to allow for physical distance and cleaning. If we have larger class enrollment then the studio can hold, we will alternate dancers between the studio and online schedules.
